

Dear Ash

There really are no words that seem enough to describe and convey how truly thankful that I am to you. You have changed my life and every single day I am so grateful to you.

I have been so used to living life in the shadows of everyone around me. Just a simple 'thank you very much.'

but know that now I really am coming out of myself and enjoying every single day. The simplest of things that I used to find so challenging, I am now embracing + enjoying. You really have made the biggest impact on my life and I want you to know that I am thankful with every bit of my heart. Not only have you given me a beautiful smile but the ability to enjoy life and be myself.

You are a wonderful man.
