DEAR ASH.

What an amazing practice you run!

As you know, I am absolutely delighted with the end result of my treatment and without doubt feel so much more confident. That said, however, I believe it is your team's professionalism which, when added to the dentistry skills that your practice offers, creates a truly positive experience for your clients.

From start to finish of my treatment I experienced nothing but the best in customer service. Under the watchful care and attention of such professional staff that you have in Clare, Petya and Dee, I soon felt comfortable and at ease and still, I can't believe that I could choose my own music!

It is this attention to detail and being on the receiving end of consistently high standards of customer service, on each and every visit, which has made such a favourable long lasting impression.

I wouldn't hesitate to recommend *Smile Design by Ash*.

Yours sincerely
